W.C. HELLER
& COMPANY

O V E R **100** Y E A R S
O F E X C E L L E N C E

THE W.C. HELLER COMPANY was established in 1891 and manufactures high quality wood shelving, cabinets and equipment. Heller furniture has continually been improved through new production techniques in assembly and finishing.

TABLE OF CONTENTS:

PAGE

GENERAL INFORMATION

Introduction

Library Shelving 2

Card Files 6

Sectional Charging Units 10

Book Trucks 14

Tables 15

Study Tables and Carrells 17

Office and Charging Desks 19

Displays 20

Showcases 22

Accurately machined parts are assembled by our experienced craftsmen.

All units provide the most serviceable methods for handling and displaying the maximum number of books, magazines, etc.

All lumber is thoroughly air dried and kiln dried of not more than 8% by weight for fabrication.

All lumber used in cabinet construction is selected Birch and Maple or Red Oak.

When plywood is used, it is a close grain to match cabinet exteriors – center backs for double units are ¼” plywood, 3-ply finished same as exterior.

All baseboards of wall cabinets and center units will be faced with 1/16” rubber for a long and durable life. Optional wood to match.

All equipment is in a natural finish, with high grade, long lasting, hard surface semi-gloss lacquer: or in a finish to harmonize with your present equipment. Specify finish desired.

All shelves are adjustable every ½” on metal brackets. Adjustable metal side standards are inserted in grooves to give full width of openings for books.

Legs for tables, card files and other stands are 2¼” square. Tapered legs are 2¼” square at top, 1 5/8” at bottom, available on request.

OUR GUARANTEE

All Heller Library Shelving, Counters, Tables, Book Trucks, Card Files, Displays and Charging Desks are guaranteed against defective materials and workmanship for one year.

Due to continuing product improvement, the W.C. Heller Co. reserves the right to change specifications without notice.

LIBRARY SHELVING

HELLER LIBRARY SHELVING

Heller library shelving is designed for convenient, trouble-free service, and is built to last for the life of your library, classroom, office. Shelves are quickly and easily adjusted.

All single faced shelving is available in 8", 10", or 12" depths, with or without back panels. All double faced shelving is available in 16", 20", or 24" depths with back panels. End panels are 1 1/4" thick, center panels are 3/4" thick. Base shelves are slightly tilted, all other shelves are flat & adjustable every 1/2". All shelves are solid maple or oak

- Shelving Code Number
- LSB – Open Back Single Face Shelving
 - LSCB – Single Face Shelving with Back
 - LD – Double Face Shelving
 - LSM – Single Face Open Back Magazine Shelving
